routing the microcosmos

## ECOSCOPE Information Session

**Wednesday, May 11<sup>th</sup>, 2016 at 1:00-2:00 PM**

**Michael Smith Labs, Multipurpose Room, 2185 E. Mall**

ECOSCOPE is recruiting trainees to join the September 2016 cohort. Program Director, Steven Hallam, will talk about the vision & objectives of the program, and the opportunities it provides for students and post-docs at UBC. The talk will be followed by a pizza reception. Please RSVP [ecoscope/ubc/events](http://ecoscope.ubc.ca/events).

## About ECOSCOPE

ECOSCOPE is an industrial stream NSERC CREATE training program bridging the divide between cutting-edge science and innovative businesses by providing life scientists with the tools and training for success as bioentrepreneurs. With a particular focus on the interface between microbial ecology, biological engineering, data science and commerce, we aspire to make Vancouver a thriving hub for biotechnology-based ventures.
